Please understand that safety and fun are very important for us at Ritmos Latinos. If anyone is unable to execute or is physically unable to perform the intermediate level moves, we reserve the right to ask these members to go back to the beginning class. Rueda is a fast moving group dance and one person in the wrong position can be frustrating and or dangerous to themselves and others.

Other Important Information

- **Come to extra practices**. We will review past weeks moves and spend time answering questions.
- If you do **miss a class**, see if you can catch up with your friends, or refer the videos or **come to extra practice** to catch up.
