Other Important Information

- Feel the beat, move your feet!
- Listen to music in your spare time. You will get song suggestions from us during class.
- Practice the basic step on your own, whenever you can – to music or to counts.
- Make friends, get together and dance! The spirit of Rueda is about celebration!
- Please remember the names of the moves, that is the essence of Rueda de Casino.
- This is a progressive class, i.e. you will learn moves based on what you've learned in the previous week.
- Come to class early and dance. We will have music starting at 6.30pm
- Come to class on time if not early. The classes start on time.
- If you miss a class, inform the instructors and come early next week. We will go over the moves with you while others are dancing.
- Try not to miss 2 classes in a row. It will be very difficult to catch up on what you've missed. Try to catch up either with instructors or with friends.
- Go out and dance! There are a number of socials in Tucson during the week. All of them have a beginner salsa class in the beginning.
